

Dear Hiring Manager,

I am writing to express my interest in the Software Engineer role at your organisation. With a degree in Electronics and Communication Engineering and one year of experience at Best Infra, I bring solid skills in Java, HTML, CSS, and software development methodologies.

In my current role, I've contributed to a web application monitoring power supply hours, showcasing my ability to deliver efficient solutions. My academic project involved implementing image processing techniques for brain tumour detection, demonstrating proficiency in advanced algorithms.

I am excited about the opportunity to contribute to the development of innovative products at your organisation. My certifications in Salesforce and hands-on experience with Microsoft technologies align well with your requirements. I look forward to the possibility of discussing how my skills can benefit your team.

Thank you for considering my application.

Sincerely,

Hashitha Sunkari
